The following is an examiner's statement of reasons for allowance: independent claims 1, 6, 7, 12, 13 and 18 include the limitation "storing in a repository the meta information and a link pointing to an original location of the meta information within the application program, wherein original locations store information about source files and interfaces comprising application programs". This limitation is neither taught by the cited prior art nor well known in the art. Therefore, independent claims 1, 6, 7, 12, 13, and 18 are allowed. Subsequently, claims dependent upon independent claims 1, 6, 7, 12, 13, and 18 are allowed.
